Join us Saturdays

the Board Room Chess

Chess
* Promotes Positive self-esteem
* Builds team spirit
* Increases concentration
* Encourages and promotes pattern recognition
* Encourages logical deductive reasoning
* Problem solving improves verbal skills
* Improves concentration
* Helps individuals to focus

Community chess program. Defining purpose and strengthening values, self esteem and integrity one pawn at a time. Kids learn to play, sharpen their skills, and compete while associating chess with ways, rules and life decisions.
